

SACSCOC Reaffirmation 2026 Next Steps

Editorial Review

Revised versions of the SACSCOC Reaffirmation reports go through the Editorial Review Process.

1

Feedback to Workgroups

Editorial Review feedback is shared with workgroup leaders. Changes are made based on feedback to finalize each standard's report.

2

Upload to Compliance Assist (CA)

Finalized reports are uploaded to CA for further review.

3

Review of Uploaded Reports

Workgroups review the uploaded materials. Upon their consent, the finalized reports are converted into PDFs for sharing with the UHD community.

4

Community Feedback

PDFs of the reports are shared with the community to gather feedback.

5

Leadership Review

Leadership review of all materials in CA for final feedback.

6

Incorporating Leadership & Community Feedback

Workgroups make changes based on feedback from the community and leadership.

7

Updates in CA

Updated reports are uploaded to CA.

8

June Milestone

By June, all reports are finalized, except for specific documentation/data (e.g., faculty roster).

9

Institutional Effectiveness (OIE) Team Review

The OIE team reviews all materials before submission.

10

Final Submission

Once all reviews are complete, CA is locked, and materials are downloaded for submission in September 2025.
