Select the “Call Office” option to receive the one-time identification code. The number listed will belong to the procurement card program coordinator/administrator. Contact purchasing prior to requesting the code as they will provide the code for you once received.

Verification Method

We'll finish the verification process by sending you a One-Time Identification Code to a number you've already provided. Please select the number below.

Where should we send your code?

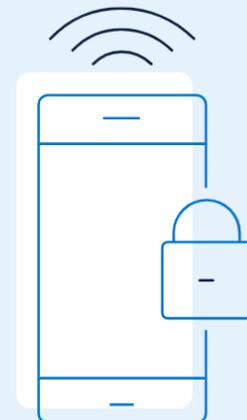

- Text Mobile (+1-***-***-8684)
- Call Office (XXXXXX2734) ←
- Call Mobile (+1-***-***-8684)

Register using temporary credentials, we'll send to the email we have on file.

By clicking Continue below, I agree to receive a call or text message from an automated dialing system at the number above to receive my Verification Code. Normal cell phone charges may apply.

On the home screen, the credit limit, available credit, current balance, and recent activity are shown. Select the credit card icon on the sidebar for more information (access statements, perform general account maintenance, replace lost/stolen cards, etc).

The screenshot shows the Citigroup mobile app interface. At the top, a blue header reads "Citigroup App | Manage your new Citi Corporate Card on the go. Download Now". Below this is a summary bar with four colored sections: a green section for "Credit Limit" at \$15,000.00, a purple section for "Available Credit" at \$15,000.00, a teal section for "Current Balance" at \$0.00, and an orange section for "No payment due" at \$0.00. A dark grey bar below the summary contains the text "Open-Card Activation Required" and several action links: "Replace Card", "View Requests", "Statements", "View Pin", and "Alerts".

The main content area is titled "Recent Activity" and contains two sections: "Recent Authorization(s)" and "Unbilled Transaction(s)". Both sections have a table header with columns for "TRANSACTION DATE", "POSTING DATE", "TRANSACTION DETAILS", "EXCHANGE RATE", "AMOUNT", and "STATUS". The "Recent Authorization(s)" section includes the text "There are no outstanding authorizations on this account." The "Unbilled Transaction(s)" section includes the text "No transactions have been posted to this account this month."

Below the activity section is the "CARD INFORMATION" page. It features a purple header and a sidebar on the left with icons for home, credit card, documents, folders, settings, and notifications. The main content area is divided into several sections: "CARD OVERVIEW" with fields for "NAME ON CARD", "EMPLOYEE ID", "COST CENTER", "CARD NUMBER", "CREDIT LIMIT", "DEFAULT ACCOUNTING CODE", "ACCOUNT STATUS", "CURRENT BALANCE", and "DATE ACCOUNT OPENED"; "STATEMENTS" with a row of document icons for "RECENT", "03 JUN 2022", "03 FEB 2022", "03 DEC 2021", "03 NOV 2021", and "03 OCT 2021", plus a "VIEW MORE" link; "AGING OF BALANCE" with a bar chart showing "Days Past Due" and "Amount Past Due" for categories: "0", "1-30 DAYS", "31-60 DAYS", "61-90 DAYS", "91-120 DAYS", and "> 121 DAYS"; and "CARD CONTACT INFO | EDIT >>" with fields for "FIRST NAME", "LAST NAME", "ADDRESS LINE 1", "CITY", "STATE", "COUNTRY", "EMPLOYEE ID", "PHONE NUMBER", and "MOBILE PHONE NUMBER".

On the right side of the "CARD INFORMATION" page, there is a vertical menu with the following options: "ACTIVATE CARD", "CARD MAINTENANCE", "VIEW PIN", and "REPLACE LOST/STOLEN/NEVER RECEIVED/DAMAGED CARD".
