1. PURPOSE

- 1.1 This policy statement establishes University policies and procedures for implementing campus carry at the University of Houston-Downtown (UHD). These policies and procedures are compliant with campus carry legislation and address the safety and welfare of University staff, faculty, students, and visitors.
- 1.2 The “Campus Carry Law”, Texas [Senate Bill 11](#) (SB11) was signed by Governor Abbott on June 13, 2015 and amends Section 411.2031 of the Texas Government Code to allow carrying of handguns by certain individuals on college campuses. Beginning August 1, 2016, any individual who holds a current and valid License to Carry (LTC) may carry a concealed handgun on or about the license holder's person where permitted on University property.
- 1.3 On September 1, 2021, [Texas House Bill No. 1927 \(HB 1927\)](#) went into effect. HB 1927 is titled the Firearm Carry Act of 2021 and is sometimes referred to as the “Permitless Carry” law or the “Constitutional Carry” law. HB 1927 amends Texas Penal Code 46.02 and 46.03 to allow persons to carry handguns without a license in permitted places and under certain circumstances.
- 1.4 Under both laws, while on UHD campus, only a licensed person may carry weapons designated under [Subchapter H of Chapter 411 of the Government Code](#); any other weapons are expressly prohibited.

Also includes valid Concealed Handgun Licenses issued by the TXDPS, as well as licenses from other states, the validity of which is recognized by the State of Texas.
- 2.7 “On or about” the license holder’s person: “About” the person means that a license holder may carry a handgun in a backpack or handbag, but the backpack or handbag must be close enough to the license holder that they can grasp it without materially changing position.

3. POLICY

3.1 Campus Carry Provisions:

The policies and procedures that follow, while following applicable state and federal law, also reflect the input of members of the University community, including staff, faculty, and students.

Individuals' rights to carry personal firearms on campus are defined by [SB 11](#) include:

- 3.1.1. Beginning August 1, 2016, any individual who holds a current and valid License to Carry (LTC) may carry a concealed handgun on or about the license holder's person where permitted on University property.
- 3.1.2. The handgun must be wholly concealed on or about the license holder's person. The license holder must not intentionally or knowingly reveal or display the handgun, even if the handgun is holstered. Accidental exposure of a handgun by a person holding a current and valid LTC is not a violation of the law.
- 3.1.3. Universities may establish areas on campus where handguns will not be permitted for reasons of campus safety, subject to the approval of the Board of Regents. "Effective notice" must be given prior to entrance into gun-free areas. Appropriate rules, regulations, and provisions related to carrying handguns based on the student population, safety considerations, and the uniqueness of the campus environment may be established.
- 3.1.4. Universities may not establish provisions that generally prohibit or have the effect of generally prohibiting the carrying of concealed handguns on campus by LTC holders.

3.2 Gun-Free Areas:

It is a violation of this policy to restrict or deny access to or use of any campus area not specified in this section.
