¹ Effective Fall 2017, these departments have been reorganized. To enable easier comparison over time the previous years' information has been put into the current department structure.

² The Computer Information Systems (CIS) and Enterprise Information Systems (EIS) majors are being phased out, students in these majors can decide to finish or change over to the new Management Information Systems (MIS) major, introduced Fall 2016. To allow for more quick comparisons, a subtotal combining CIS/EIS/MIS has been added.

This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (2014: 1 student, 2018: 1 student).
