Comparative data is as of the same point.

Enrollments in classes starting after the official day of record for the Spring semester are not included.

Winter Term is not included.

Beginning Fall 2016, UHD implemented a policy that allows new students to declare their major upon admission to the University, if eligible. This results in a larger number of new students declaring majors than in previous years. This change is partially responsible for the increase in undergraduate majors (and decrease in undeclared majors) throughout the university.

This report includes students who are non-resident, located out of state, taking only online classes that could not be included in state reports per their instructions (Spring 2014: 2 students, Spring 2015: 2 students, Spring 2016: 3 students, Spring 2017: 7 students and Spring 2018: 5 students).

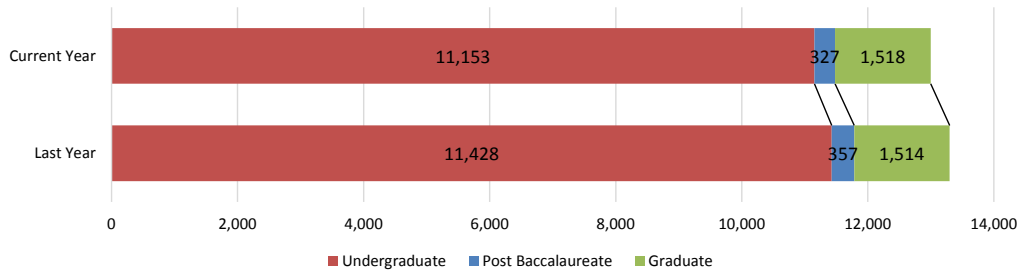

<sup>1</sup> Effective Fall 2014, these departments have been reorganized. To enable easier comparison over time the previous years' information has been put into the current department structure.

<sup>2</sup> These programs have been discontinued.

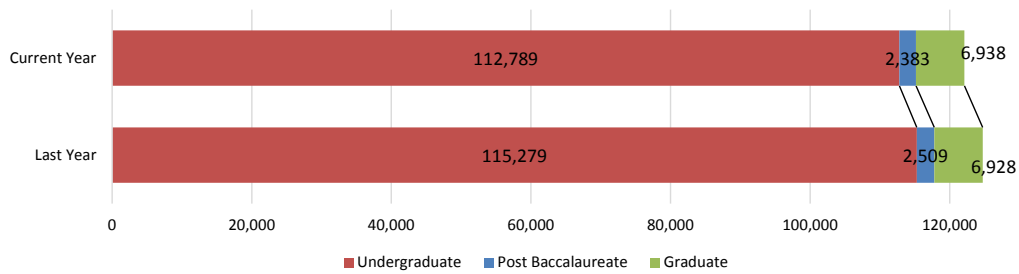

Note: UHD uses fall numbers as OFFICIAL university figures.
