Comparative data is as of the same point.

This report includes students who are non-resident, located out of state, and taking only online classes that are not to be reported to the state per the THECB's instructions. This change went into effect Fall 2023.

Course Data include adjustments to course modalities made in response to the COVID-19 pandemic.

Mini Session is included.

Graduate Certificate only students are included in internal (and federal) reports as Graduate students. In state reports they are considered post baccalaureate students.

<sup>&</sup>lt;sup>1</sup> This page reports enrollment based on the level of the course.
<sup>2</sup> HyFlex refers to an instructional approach that allows choice by students between in-person and synchronous electronic engagement in the same class section.

The Online hours do not include interactive courses.

Distance includes all courses except those taught face to face/hybrid/hyflex at the Downtown campus.

<sup>&</sup>lt;sup>5</sup> The RN to BSN program courses have moved to the UHD campus effective Fall 2023. Note: UHD uses fall numbers as OFFICIAL university figures.

Comparative data is as of the same point.

This report includes students who are non-resident, located out of state, and taking only online classes that are not to be reported to the state per the THECB's instructions. This change went into effect Fall 2023.

Mini Session is included.

Graduate Certificate only students are included in internal (and federal) reports as Graduate students. In state reports they are considered post baccalaureate students.

In cases of reorganization at the university, the prior years' information is also listed with the current structure to allow easier and more consistent comparison across time

Enterprise Information Systems (EIS) degree is no longer offered; students who started in that program can decide to complete under that degree or change to the Management Information Systems (MIS) degree. To allow for easier comparisons, a subtotal combining both majors has been added.

<sup>2</sup> insurance and Risk Management (IRM) degree is no longer offered; students who started in that program can decide to complete under that degree or change to the Risk Management and Insurance (RMI) degree. To allow for easier comparisons, a subtotal combining IRM/RMI both majors has been added.

Note: UHD uses fall numbers as OFFICIAL university figures.
