

## Military Service Credit (HB 269) Request

House Bill 269 makes military veterans who enroll in Texas universities and who meet certain requirements eligible to receive undergraduate credit for the time they spent in the service. Eligible veterans receive college credit for all the required physical education courses needed for their degree and up to an additional 12 credit hours of elective course work.

### Important Information:

- This form should be completed by veteran students after consultation with the academic advisor as indicated by Advisor signature and then forwarded to the Office of the Registrar
- Appropriate documentation of eligibility, DD Form 214 must be attached.
- **Military Service Credits will not be removed once awarded.** Students should understand how military service credits affect:
  - Your eligibility for a tuition rebate
  - Texas B- On Time loan forgiveness
  - Excess credit hours that may result in higher tuition and
  - Financial Aid Satisfactory Academic Progress requirements
